## A Note To Parents

Thank you for your interest in the YWCA's Learn to Swim Program. We are excited that we have the opportunity to teach children about water safety and water skills, because it leads to a lifetime of aquatic fun. Learning water skills and water safety should be enjoyable for all who participate.

**1. Here is a general list of concerns and explanations for the infant and preschool age children participating in swim lessons.**

Concern	Explanation
Crying	Child is cold, hungry, sick, confused, or unsure about the surroundings.
Fear	Did not have an opportunity to be around a safe water environment, may have a generalized fear passed on by a fearful parent, or witnessed a traumatic water incident.

**2. This program does not drown-proof your child. They should be watched at all times and should never swim alone.**

**3. So that instructors may teach effectively, we ask that you remain in the lobby area or far side of the pool, at least 20 feet from the side of the pool to observe your child.**

*With less distraction, the child can focus on the instructor and class, and as a result, learn many new, exciting, and safe skills in the water.  
Thank you.*

**4. Each morning session incorporates 8 classes.**  
Monday through Thursday for two weeks.

**5. Each evening session incorporates 8 classes.**  
Monday and Wednesday or Tuesday and Thursday for four weeks.

**6. Saturday and Parent/Child incorporates 4 classes.** Four consecutive Saturdays or Monday-Thursday for one week for morning classes.

**7. Classes are filled on a first PAID basis. No pre-paid lessons will be refunded.** Unfortunately, we are unable to reschedule your session for a later date unless for a medical emergency.

**8. Registration must be done in person at the YWCA. YWCA Membership is required.**

**9. No additional sign-ups after the first class.**

**10. There are no make-up classes, unless the YWCA must cancel.**

**Inclement Weather Policy:** In the event of thunder, lightning or other inclement weather, the YWCA will conduct safety classes. Classes still go on in the rain. Please call the YWCA if you are in doubt.
