

## Fall Swim Team Registration is now available ONLINE (or in person)

Fall Training registration opens at 9am on Monday, August 15th

**New to our program?** Please note, a YWCA Annual Membership is required. There are both youth and family options. While membership alone does not include use of the pool outside of program time, it does reduce the cost per visit with both daily and monthly pool pass options available. We recommend new participants give us a call to understand the membership model if they intend on swimming outside of swim team time.

**If you're a returning participant, sign into the online registration system prior to the morning online registration opens. Make sure you have access! Do this in advance so we can work out any technical issues before the big day!**

---

**If you are already a YWCA Member DO NOT CREATE A NEW MEMBERSHIP ACCOUNT!**

Instead follow the directions below -

Go to: <https://www.ywca-lowercapefear.org/what-were-doing/health/barracudas/>  
& click the "Register for Swim Team Programs" button

Click on "My Account" on the upper right hand side of the screen.

Enter your email or phone number that is most likely associated with your YWCA account.

You may not yet have a password, so click "Forgot your password"

The quickest option is to do a one-time code for quick login by text message or email. You will be given a code to login.

If your email does not work, try another family email address.

Once you access your account, browse, select and register for the program. Make sure to click on the correct child's name when you are registering for the swim team. If you accidentally register as an adult, you will get an error message due to age restrictions.

Continue through the questionnaire, load up the shopping cart, and check out as usual!

---

**If you are NOT a YWCA Member, go to the registration link:**

<https://www.ywca-lowercapefear.org/what-were-doing/health/barracudas/>  
& click the "Register for Swim Team Programs" button

Click "Sign Up" on the upper right hand side of the screen.

Choose your membership option. Specifically choose an "Aquatics" option.

- If you have one child, you will most likely choose Youth - Aquatics
- If you have more than one child participating on the team, choose Family - Aquatics

Fill out the information. And click the "Next" button to continue.

Your annual membership payment will only be a prorated amount. The full amount will be drafted on the 1st of the next month.

Once a membership is set up, use the search bar to find, select, and register for the program you would like to register for. If you have a family membership, make sure to click on the correct child's name you are registering for the swim team. If you accidentally register as an adult, you will get an error message due to age restrictions.

**Running into a problem along the way? Call the pool front desk. 910-799-6820 x109. Leave a voicemail if we do not answer.**

**The morning swim team registration opens, we return phone calls in the order we receive them. Please be patient. DO NOT continue to call as it will fill up the phone lines and make it more difficult for us to call out.**
